

HOW TO BOOK

In order for conferees to benefit from the arranged special prices, you are kindly requested to send an email to the relevant hotel of preference, with the information concerning your reservation (except in the case of Horizon Blu & Buca Beach Resort). Specifically, the message should contain booking information such as number of rooms, types of rooms (single, double, etc.), names under which the reservation is being made, check in date and check out date and most importantly the promo code "ISA2016".

Reservation email information is as follows:
